

I am a raving fan of Susie Nickell! I successfully teamed up with her to find my first home! As a first time buyer and on my own, I was really unsure going into the market. I didn't know the first thing about buying a house and personally I was a little scared about getting a pushy realtor. Luckily, I got to meet up with Susie and it was a total breeze after that. She's extremely friendly and instantly made me feel comfortable. I truly felt that she was looking out for me and genuinely wanted me to find the perfect home. I actually had a great time touring homes with her, no pressure, no stress, I basically just had to show up and choose which home I wanted.

So it wasn't long after meeting up with her that we had found what I was looking for and I was unpacking boxes in my new home! I couldn't be happier with the work she did and the help she gave me. I've been enjoying every minute in my new house and am so grateful that Susie was there to help. If the time ever comes to move up, I'll look forward to giving Susie a call again!
